by Jim Straub, ORHA Legislative Director

In Oregon legislative news, the Landlord-Tenant Coalition's omnibus bill, Senate Bill 390, was signed into law by Governor Kate Brown on June 11, 2015. This new law will become effective as of January 1, 2016. Stay tuned to future Legislative Updates for more information about the implementation of Senate Bill 390.

I look forward to hearing from local ORHA chapters at our next ORHA Board Meeting on July 18<sup>th</sup> about our members' legislative priorities. Be sure to let your local ORHA legislative representative know your needs and concerns as we begin preparing for future legislative sessions.
